

I listen to K-Love continually all day. It is the only radio station I and my family listen to. It would be a MISTAKE to take it off the air. There are PLENTY of other garbage radio stations on the radio for people to listen to. Why would you take off a station that does so much good for so many people? If people didn't LOVE K-Love radio why would they continue to send money each month to support it? Please don't replace it. Sincerely Gail K. Basso
